

The Anxiety Management Program

The Anxiety Management Program gives participants the opportunity to strengthen and develop anxiety coping skills. We use a Cognitive Behaviour Therapy (CBT) framework to explore how thoughts and behaviours affect our mood. By understanding how thoughts and actions affect how we feel we can learn to manage anxiety more effectively.

Where is it held?

The program is held at Toronto Therapy Services, Toronto Private Hospital.

When is it held?

This program runs for three hours once a week for 16 weeks. Please contact us on 1800 311 470 for the day and time of this program.

How do I join?

Ask your GP or psychiatrist for a referral to Toronto Therapy Services. When we have received this we will contact you to arrange an intake assessment.

Will I have to pay ?

You will need private health insurance to cover the cost of your program. Our clerk can conduct a fund check to ensure you have the appropriate coverage.

Please contact us on 1800 311 470 for more information.

Who is the program for?

If stress or anxiety causes problems in your life you could benefit from this course.
